## CHAMPIONS™ Kindergarten Extended Day

Everything young children need to know, they'll learn in CHAMPIONS™ Kindergarten Extended Day Program!

Our wrap-around curriculum accommodates varied kindergarten schedules and reinforces kindergarten classroom learning in a fun, safe setting right at school. Wrap-around participants explore art, dramatic play, science, problem-solving, language and literacy and more. And kids enjoy a tasty, healthy snack daily. Best of all, parents don't have to worry about transporting their child from school to child care. CHAMPIONS offers a convenient, secure, learning boost for kindergarten and a bright future beyond!

An added plus: we build literacy, fitness and character-building activities right into our kindergarten curriculum. Your child will:

-  experience a print-rich environment that emphasizes the importance of words and language in daily life.
-  learn about healthy eating and the benefits of an active lifestyle.
-  develop solid values by practicing helpfulness, cooperation and respect.
-  have loads of fun in a caring environment, while enjoying all the perks of being a kid!

CHAMPIONS Kindergarten Extended Day programs forge a unique environment-in partnership with schools and parents-that prepares children for grade school challenges. Don't wait any longer to "go one better" for your child. Join the CHAMPIONS family today!
