

An introduction for students and families for the 2017-2018 school year

What is College Credit Plus?

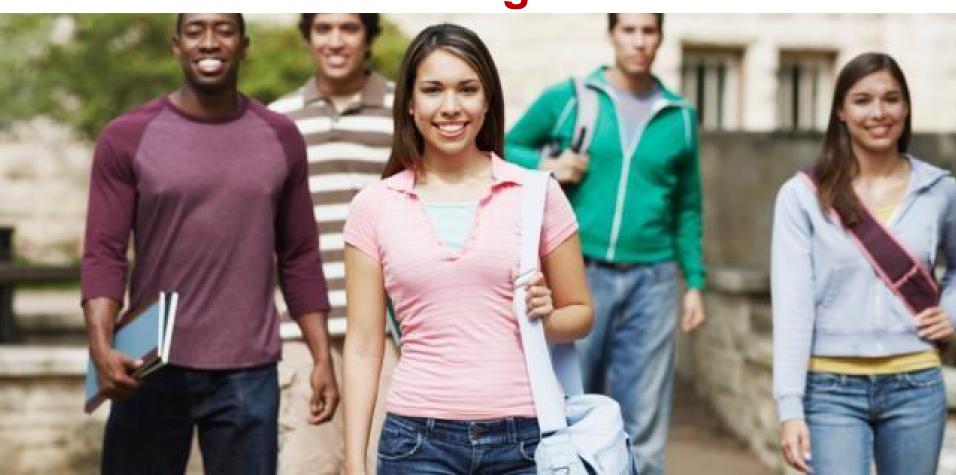

A State Funded Opportunity to Earn College Credit

- College-ready students
- Grades 7 12
- Public colleges are free
- Private colleges may include small cost

Under what scenarios can a qualified student use College Credit Plus?

You want to take college courses to satisfy your high school graduation requirements.

You completed your high school graduation required classes and you want to begin college work.

You want to explore college and take a course in a subject that interests you.

Apply and Get Admitted

Participate by getting admitted into a college.

May have to take a placement test and satisfy other college criteria.

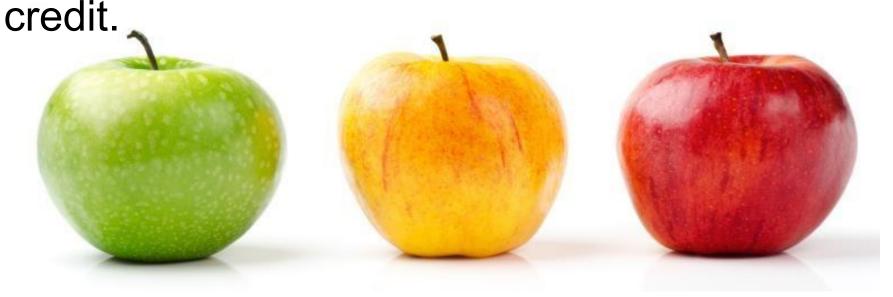

College-readiness determined by college.

Student Choice

You choose the course(s) that fit your pathway. Each must be secular, apply toward a degree or workforce certification and confer college

Graduate with College Credit

You can earn up to 30 college credit hours per academic year; includes summer term.

Your counselor will tell you your specific credit eligibility.

No more than 120 college credit hours while in the program.

Summer Requirements

Summer term will apply as the 1st term of the next school year.

A college's summer term may begin in May. There may be multiple sessions within a summer term.

Summer Requirements

If you want to participate in summer term, you must submit your letter of intent to participate early enough to apply and gain admission to the college and register for course(s) in the spring.

Nonpublic and Home School Students must:

- 1. Submit your letter of intent to participate
- 2. Gain admission to the college
- 3. Apply for and be awarded state funding

State funding will be awarded in May.

If you choose to register for courses before funding awards are made, you will have to self-pay or drop the course(s) if you are not awarded funds.

CollegeCredit

A semester college course of 3 or more credits counts as a one-year high school class.

Weighted Grades

College courses must be weighted equally to the greatest weight of Advanced Placement, International Baccalaureate or honors classes, in the same subject area.

AP, IB, Honors Class

College Course

Grades are Applied to Graduation Requirements

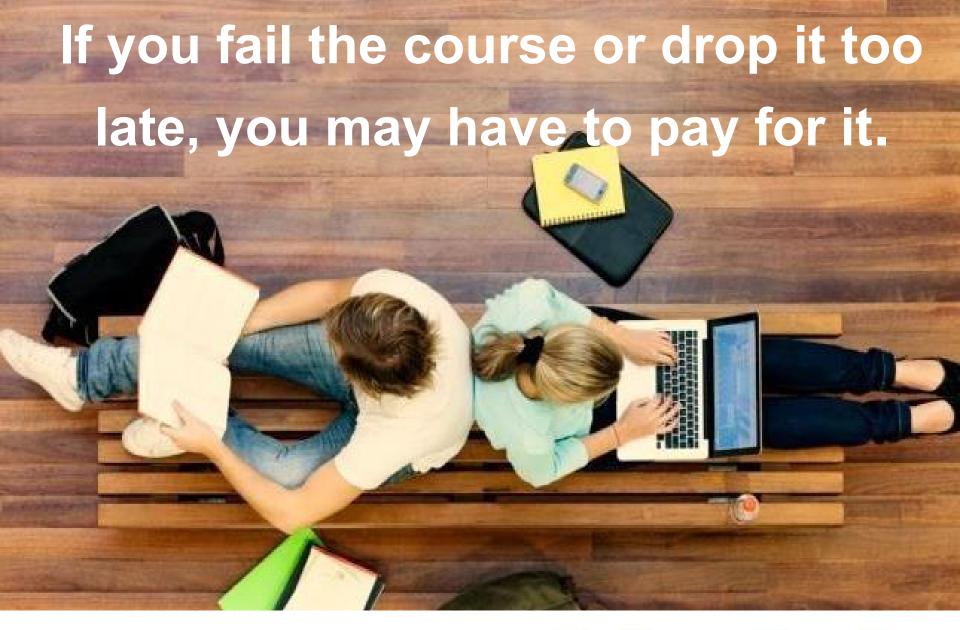

The grade you earn in the college course is applied to your high school graduation required class.
